

Advance-Nilfisk Part

Advance-Nilfisk Parts - Imagine how tiresome it will actually be to tidy up your home after throwing a large party, with out assistance from cleaning machines. Before, the time upholstery and carpets had the dust beat out of them manually; brushes, brooms and cleaning cloths were the state-of-the-art cleaning supplies back then.

The man who founded Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who liked to work on electrical motors. After starting his business in 1906, he started to make motors to drive machine tools, drills, coffee grinders and fans. Mr. Fisker's dream from the start was to have an international company selling merchandise globally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning business. Mr. Fisker invented a incredible, ground breaking vacuum cleaner that can be operated by a single person since it only weighed 17.5 kilos! This invention came in a time where other cleaning equipment were massive and required at least 4 operators, therefore, the Nilfisk C1 changed everything and developed the manner we clean forever. The brain behind these very first cleaning equipment remains unparalleled. Cleaning machines offer an excellent solution to an ongoing crisis; things get dirty and need to be cleaned regularly, without a lot of effort.

Slowly, the business Nilfisk-Advance expanded through the years. During the early 1980's the business expanded fast when the company became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance ahead within the trade, trying to be an active global player in producing professional cleaning machines. Nilfisk-Advance is presently located in all parts of the world due to steadily obtaining numerous smaller companies to be able to grow their product portfolio and presence in new markets. They are really proud to present a range of cleaning solutions to suit every requirement.
